ENRICHING KIDS INSIDE & OUT

The Community YMCA and the Springfield School District are partners in the achievement of your child through our Kindergarten Enrichment and School Age programs. We believe that learning never stops and that children should have a place to **explore** their interests and talents. Our professional and highly trained staff provides daily activities focused on **academic enhancement, social growth** and **physical activity**. Children **connect** with others to **build lasting relationships**, develop a sense of **belonging** and cultivate **leadership skills**.
