

## WE APPRECIATE YOUR KIND WORDS AND SUPPORT OF OUR 2020 CAMP PROGRAM!

"Daily pool time was amazing. My kiddo went from being a 100% non-swimmer to being able to pass our pool's deep-water test in a few months. His confidence soared along with his comfort in the water. He frequently got in the car and said, 'Mom that was the best day ever!' I had no concerns about COVID. It was clearly handled in the best possible way."

"Y staff, you have no idea how much peace of mind we have knowing our kids are in your care. With both parents working full time and in high intensity jobs, you are providing a safe and caring environment for our children during this very challenging time. Please know we are most appreciative!"

"I feel Springfield Y staff are part of my daughter's extended family. She has been with the program since Kindergarten. She loves camp!"

"You guys were awesome this summer! Thanks for keeping them safe while giving us parents a break. It was completely worth it, and we'll be back next year!"

"Thank you to the YMCA, Miss Marisa, and staff for keeping our kids safe and having fun!"

"Many thanks to all the Y staff at Sabold. You guys are awesome!"

"Miss Betsy and her team were fantastic! Levi Jumped out of the car each morning excited to be there. I also had zero concerns for safety, and appreciated that every precaution was taken. This program was a lifesaver this summer!"

"Miss Courtney & Miss Lindsay are great people who run a solid program. My daughter loves every aspect of camp, and can't wait to be an LIT. It was a bit different with COVID this year, but I didn't get one complaint from my 6-year-old about missing the trips or water slides because they planned so many other cool activities for the kids."

"I think the YMCA in Ridley did a great job. My son has gone there for 8 years. Camp gave my son some normalcy since most things we could not do. We will be back next year!"

"I was elated that you were able to open with as many safety protocols in place. The kids were desperate for interaction with others. I am so happy to be able to have the kids partake in this amazing program. Thank you to all the staff who made it possible!"

"The administration and staff who run the Springfield School Age programs are so incredibly amazing. They give their hearts and souls to these kids, and it shows! Thank you so much for all that you do for our community!"

"I love the Y! Everyone is so great and amazing with the children. I praise your program every chance I get. My sister registered her daughter in the Y program because of how much praise I give about your program."

"It was very well run and organized by a staff that truly cared for my boys. I was so grateful for this little piece of normalcy for my boys during this uncertain time. They absolutely loved the camp!"

"I am thankful and appreciative for the outstanding program that the YMCA offers to my family."

"I felt very comfortable dropping my son off at the Y for summer camp this year. I felt all necessary precautions were met, and the kids still had a great summer. Things were definitely different, but it was all handled well, and kept as normal as possible for the campers. Thank you for all your hard work!"

"I appreciate everything they Y has done for our family. Without camp or the school age program, we wouldn't have been able to work."

"Summer camp went really well. Our kids loved going every day, and we were never worried that safety wasn't being handled appropriately. It provided much-needed social interaction and exposure to other kids (and adults), and we were so happy the Y had the will and creativity to run the program. Thank you!"

"I thought my son would be too old this year, as he turned 13 in July. He absolutely loved being an LIT, and was very happy to go the weeks I signed him up. The counselors gave me very nice feedback about him on the last day, and asked me to send him back next year!"

"We were at the Rec Camp at ETR. Miss Trish and her crew were amazing. We loved it. It was awesome and felt safe. So glad we were able to participate!"

"I want to express my gratitude to all the YMCA staff for a fantastic and safe summer. My son enjoyed every day, and even though it was a little different this year, everyone made the best of it and I cannot thank you all enough. Everyday my son came home excitedly telling me about all of the activities and fun he had that day. Be proud for all you did."

"I thought the Y did an amazing job this summer. I appreciated you being available as an option. My daughter had fun, and my son enjoyed working with the Y Sports Camp."
