YMCA Mask/Face Covering Update

As of this morning, Monday June 28, 2021, Governor Wolf has lifted all mask/face covering mandates in the state of Pennsylvania. Here is what this means for the Y.

Wearing a mask/face covering is a personal choice and will not be discouraged. We ask that everyone consider the health & well-being of others while in the Y. Remember, cleanliness and personal awareness are here to stay. Please make sure to clean/wipe down your equipment both before and after each use.

The mask/face covering mandate has been lifted for all individuals – vaccinated or unvaccinated.

- In Child Care and Childwatch (babysitting), the mask/face covering mandate has been lifted for all individuals, vaccinated or unvaccinated – this includes children under the age of 12.
 - It is still recommended that any individual under the age of 12 wear a mask/face covering while indoors.
 - Outdoors, mask/face coverings may be removed.
- In Camp, the mask mandate has been lifted for all individuals vaccinated or unvaccinated – this includes children under the age of 12.
 - It is still recommended that any individual under the age of 12 wear a mask/face covering while indoors.
 - Outdoors, mask/face covering may be removed. We are obligated to follow the policies of the non-YMCA facilities we use –Sabold Elementary School.
- In Child Care, Childwatch (babysitting) and Camp, the Pennsylvania Department of Health has added COVID-19 to the list of communicable diseases that must be reported, therefore any positive cases will be reported to the local health department and quarantines will be enforced.

Members & Staff who are unvaccinated will be asked to continue to wear a mask/face covering while in the childcare, summer camp or indoor small group settings (meetings).

At the Springfield location, all members & staff are **REQUIRED** to wear a mask/face covering while walking in the hallways of the medical facility (primarily to and from the parking garage).

It will be great to see everyone's face and smiles again.

Again, thank you for your continued words of encouragement and support. I know, together, we will get through this. Please stay safe.

Humbly,

Michael Ranck

President/CEO
