## IMPORTANT:

You and your child's health and safety and that of our staff team is very important to us. **All group swim lessons for stages A and B only will require a parent/guardian to get into the pool with the participant.** Parents of stage 1 swimmers who will not get into the pool with an instructor may be asked to get into the pool with their child.

Our instructors will guide you to help teach your child in the pool. Masks are required for all adults and children 2 years of age and over until they enter the water. **For all group swim lessons for stages Youth 1 and higher the swim instructor will be in the water, socially distant with a face shield.**
