If you feel you work better in a one-on-one setting, want to work on specific skills or strokes, or would like more flexible class times, these lessons are for you. Private lessons are for individuals; semi-private lessons are for two children or adults with one instructor. Lessons are scheduled at the same day and time, consecutive weeks, for the session.

CHECK OUR FRONT DESK FOR AVAILABILITY AS WE ARE CURRENTLY NOT TAKING NEW PRIVATE SWIM LESSONS

You and your child's health and safety and that of our staff team is very important to us. All group swim lessons for stages A and B only will require a parent/guardian to get into the pool with the participant. Parents of swimmers who will not get into the pool with an instructor may be asked to get into the pool with their child. Our instructors will guide you to help teach your child in the pool.
